April 2015

Dear Friends:

It is a joy to update you on our ministry with Global University. These are truly exciting days for the Kingdom of God around the world and in the USA!

David is adjusting well to his role in the Graduate School of Theology. He finds it challenging and fulfilling to mentor talented and anointed leaders that are already engaged in making a difference in their own unique contexts. The topic of Christian worship has long been an interest for David. He is now writing a new course, Worship in the Church, that is due to be added to the curriculum in 2016! Plans are coming together for David's first trip to facilitate a course internationally. More details will follow.

Ruth has joined the Global University team as an administrative assistant in the Media Department. Their current focus is adding high-quality supplemental videos to the Berean School of the Bible curriculum.

We could never touch the lives of this new generation of Spirit-filled leaders without your support. Thanks for praying and giving!

THE HARVEST IS PLENTIFUL,
BUT THE WORKERS ARE FEW.
THEREFORE, BESEECH THE

TO SEND OUT WORKERS
INTO HIS HARVEST.

Leaders for the Harvest Facebook Campaign

Maintaining adequate funding requires continual attention. We are in the middle of our "Leaders for the Harvest" Facebook campaign. The goal is to raise \$500 in additional monthly support. Many of our readers already generously support our ministry financially, but you can help by "liking" our Facebook Fan Page (facebook.com/drdegarmo) and "sharing" each post. This greatly increases the range of persons that we can reach with our story.

Global University's newest online project is Arabic Bible College. Arabic is the language of 27 countries. Currently, six courses are under development, with more to come.

In India College of Ministry (Global University), more than 2,000 students are currently enrolled in 10 online schools in 10 languages. Goal: to train 30,000 leaders to lead 25,000 new house churches.
